

2026 Business Mileage Log

Split-year rate worksheet effective July 1, 2026

72.5¢ JAN. 1 - JUN. 30
per business mile

76¢ JUL. 1 - DEC. 31
per business mile

IMPORTANT

Apply the rate based on the date the qualifying miles were driven.

ADDITIONAL COSTS

Qualifying business parking and tolls may generally be added separately.

Taxpayer / employee:		Business / employer:		Month / period:	
Vehicle:		Beginning odometer:		Ending odometer:	

[illegible]

Total business miles		Mileage amount		Parking + tolls		Total claim	
----------------------	--	----------------	--	-----------------	--	-------------	--

Notes / supporting documents:

Record each trip at or near the time of travel. Ordinary commuting is generally personal. Business-purpose detail, annual odometer readings, calendars, invoices, and receipts can help support the deduction or reimbursement.

2026 Business Mileage Log - Additional Trips
